91-RF-2616

Robert M. Nelson, Jr.
Manager
DOE, RFO

Attn: F. Lockhart

RESPONSE TO DOE/HAZWAP COMMENTS ON THE ECOLOGY STANDARD OPERATING
PROCEDURES (SOPS) (1753) - JMK-0062-91

The attachment provides EG&G's responses to DOE and HAZWRAP review comments on the Draft
Ecology SOPs. These responses reflect agreements reached during discussions among EG&G,
DOE/ RFO, and HAZWRAP personnel.

The revised Draft Final Ecology SOPs will incorporate DOE comments as stated. These revised SOPs
will be available by June 1, 1991. EG&G received approval on the Draft Ecology SOPs from the
Environmental Protection Agency (EPA) and the Colorado Department of Health (CDH) on
April 1, 1991. Minor adjustments as requested by EPA/CDH comments will be incorporated into the
June document. Further revisions to these SOPs, other than additional SOP addenda, are not
anticipated.

J. M. Kersh, Associate General Manager
Environmental and Waste Management
